Prince Gulam Mahomed's Charity Fund in Mysore.

In para 3 of the Rules dated 14th September 1892 framed for the administration of the Fund, a sum of Rs 550-0-0 a month being the interest on the original funded capital of the Institution, viz, Rs 1,66,500-0-0 in the Govt of India 4 per cent Securities has been allotted for the payments of Subsistence grants to 170 paupers at the rate of Rs 3/- per mensem.

2. But the Comptroller to Govt in his letter No 1411 dated 5th September 1894, reports that, of the Govt of India four per cent

romissary Notes to the value
of Rs 166600/- belonging
to the Fund, Notes to the
value of Rs 40,500/- have
been tendered for
reduction of interest
from 4 per cent to 3½
per cent as per terms
of the Govt of India
Notification dated the
30th June 1894. The remain-
ing Notes also will have
to be tendered for re-
duction of interest in
pursuance of the Noti-
fications of the Govt of
India recently issued.
Thus by the reduction of
interest the income of
the Fund will be materially
affected and it is there-
fore necessary to reduce
the Sanctioned expenditure
proportionately by the
curtailment of the monthly
payments from the Fund.

3. Under the foregoing

circumstances it is resolved, that from this date, no one should be newly admitted for Charity grants from the Fund the and that all vacancies among the present recipients should be reported to the President who will obtain the orders of the Govt. on the subject in due course.
